Family Planning Perspectives

Index to Volume 23, 1991

Subject Index

Abortion
Abortion Doesn't Affect Later Births, Update, p. 244.

Abortion Underreporting, C. A. Bachrach and W. Baldwin, Letter, p. 233.

Accessibility of Abortion Services in the United States, The, S. K. Henshaw, p. 246.

Antiprogestins and the Abortion Controversy: A Progress Report, Special Report, M. Klitsch, p. 275.

Characteristics of U. S. Women Having Abortions, 1987, S. K. Henshaw, L. M. Koonin and J. C. Smith, p. 75.

Clandestine Abortions Are Not Necessarily Illegal, Viewpoint, R. J. Cook, p. 283.

Court Upholds Strict Abortion Law, see **Government Policy, Programming and Funding**.

Court Upholds Title X Ban on Abortion Information, see **Government Policy, Programming and Funding**.

Death from Nonsurgical Abortion, A, Update, p. 100.

Depression and Anxiety Decrease After Abortion, Regardless of Method, Digest, p. 237.

Less Mifepristone Is Just as Good, Update, p. 197.

No Abortion Law for Canada, Update, p. 52.

Parental Notice and Consent for Abortion: Out of Step with Family Law Principles and Policies, Comment, M. D. Greenberger and K. Connor, p. 31.

Public Abortion Views Unchanged, see **Public Opinion**.

Strong UK Support for Abortion, see **Public Opinion**.

Teenage Abortions Fell After Minnesota Imposed Parental Notification Law, Digest, p. 240.

Wichita Protests Lacked Support, see **Public Opinion**.

Adoption
Adoption Versus Parenting Among Young Pregnant Women, see **Teenagers**.

Barrier Methods
Adolescents Are More Likely to Use Condom Than Pill at First Coitus, see **Teenagers**.

Condom Use on Campus, T. Simon, M. Eckerle and M. McMillan, Letter, p. 41.

Condom Use With Regular and Casual Partners Among Women Attending Family Planning Clinics, see **Contraceptive Practice**.

Consistency of Condom Use for Disease Prevention Among Adolescent Users of Oral Contraceptives, see **Contraceptive Practice**.

Contraceptive Use High, Pill and Barrier Methods Widely Used in Denmark, see **Contraceptive Practice**.

Efficacy of the Simultaneous Use of Condoms and Spermicides, P. Kestelman and J. Trussell, see **Contraceptive Research**.

New Barrier Contraceptive Tested, Update, p. 245.

Supply and Demand Applied to Condoms, Book Review of: *The Condom Industry in the United States*, J. J. Murphy. Rev. by J. G. Vail, p. 231.

Use of Barrier Methods with Spermicides May Increase Vaginal Flora, Digest, p. 142.

Users Approve of Female Condom, Update, p. 5.

Contraception: General
Comparing the Health Risks and Benefits of Contraceptive Choices, K. Kost, J. D. Forrest and S. Harlap, p. 54.

Differing Views of the Decline in Australian Family Size, Book Review of: *Populate or Perish: Australian Women's Fight for Birth Control*, S. Siedlecky and D. Wyndham. Rev. by J. C. Caldwell, p. 230.

Contraceptive Practice
Adolescents Are More Likely to Use Condom Than Pill at First Coitus, see **Teenagers**.

Condom Use With Regular and Casual Partners Among Women Attending Family Planning Clinics, V. Soskolne, S. O. Aral, L. S. Magder, D. S. Reed and G. S. Bowen, p. 222.

Consistency of Condom Use for Disease Prevention Among Adolescent Users of Oral Contraceptives, C. S. Weisman, S. Plichta, C. A. Nathanson, M. Ensminger and J. C. Robinson, p. 71.

Contraceptive Use at First Premarital Intercourse: United States, 1965-1988, W. D. Mosher and J. W. McNally, p. 108.

Contraceptive Use High, Pill and Barrier Methods Widely Used in Denmark, Digest, p. 89.

How Well Do Women Comply with Oral Contraceptive Regimens? see **Oral Contraceptives**.

U. S. Religious Groups Vary in Patterns of Method Use, But Not in Overall Contraceptive Prevalence, Digest, p. 288.

Contraceptive Research
Biodegradable Implant in Early Trial, see **Hormonal Implants and Patches**.

Efficacy of the Simultaneous Use of Condoms and Spermicides, P. Kestelman and J. Trussell, Research Note, p. 226.

How The Implant Works — and Why, see **Hormonal Implants and Patches**.

New Barrier Contraceptive Tested, see **Barrier Methods**.

Weekly Testosterone Injections Suppress Sperm Production, May Provide Effective Contraception, Digest, p. 86.

Ethics
Fetal Tissue Panel Organized, Update, p. 4.

Evaluation of Programs
Evaluating Adolescent Pregnancy Programs: Rethinking Our Priorities, see **Teenagers**.

Family Planning Clinics: Facing Higher Costs and Sicker Patients, see **Service Providers**

Six School-Based Clinics: Their Reproductive Health Services and Impact on Sexual Behavior, see **Service Providers**

Tailoring Family Planning Services to the Special Needs of Adolescents, see **Service Providers**

Fertility: Planning and Effects
Among Women Over 30, Rate of First Births Rose Strongly with Education, Digest, p. 186.

Proportion of Women with Impaired Fertility Changed Little in 1980s, Digest, p. 185.

Unexpected Route to Infertility? Update, p. 148.

Why Is Swedish Fertility Rising? Update, p. 101.

Government Policy, Programming and Funding
A Future for Title X? C. Richards, Viewpoint, p. 228.

Court Upholds Strict Abortion Law, Update, p. 244.

Court Upholds Title X Ban on Abortion Information, Document, p. 178.

Government Postpones Sex Study, Update, p. 244.

Little Progress in Drug Approval, Digest, p. 148.

Medicaid and Pregnancy: Issues in Expanding Eligibility, E. M. Howell and M. R. Ellwood, p. 123.

Politics of Sex Halts Youth Survey, Update, p. 197.

Public Funding of Contraceptive, Sterilization and Abortion Services, Fiscal Year 1990, R. B. Gold and D. Daley, p. 204.

U. S. Supreme Court Considers New Title X Regulations, Document, p. 38.

Hellman, Louis M.
Louis M. Hellman (1908-1990), A Tribute, J. I. Rosoff, p. 36.

Hormonal Implants and Patches
Biodegradable Implant in Early Trial, Update, p. 245.

How The Implant Works — and Why, Update, p. 245.

Intrauterine Devices
A Slimmer Copper T, Update, p. 5.

Users of Hormonal IUD Have Lower Pregnancy Rate, More Side Effects, Digest, p. 144.

Law and Policy
Parental Notice and Consent for Abortion: Out of Step with Family Law Principles and Policies, see **Abortion**.

State Legislation on Reproductive Health in 1990: What Was Proposed and Enacted, Special Report, T. Sollom, p. 82.

Teenage Abortions Fell After Minnesota Imposed Parental Notification Law, see **Abortion**.

Marriage and the Family

An Adolescent's Age and Her Parents' Education Affect How She Resolves Unintended Pregnancy, see **Teenagers**.

Childless Option, The, L. S. Dumas, Letter, p. 41.

Determinants of Unintended Childbearing Among Ever-Married Women in the United States: 1973-1988, L. B. Williams, p. 212.

Emotional Support, Cognitive Stimulation at Home Improve Outlook for Children of Teenage Mothers, Digest, p. 42.

Hispanic Ethnic Groups Face Variety of Serious Health, Social Problems, Digest, p. 186.

Intergenerational Transmission of School-Age Parenthood, S. M. Horwitz, L. V. Klerman, H. Sung Kuo and J. F. Jekel, p. 168.

Number of Siblings and Personality, Comment, J. Blake, p. 272.

One-Third of Working Mothers of a School-Age Child Pay for Day Care, Digest, p. 46.

Poor Single Mothers May Need Substantial Income Supplements to Bring Their Families Out of Poverty, Digest, p. 235.

Unplanned Childbearing and Family Size: Their Relationship to Child Neglect and Abuse, S. J. Zuravin, p. 155.

Young Adults Choose Alternatives to Marriage, Remain Single Longer, Digest, p. 45.

Young Dutch Women Are Less Likely Than Before to Marry, Bear Children, Digest, p. 190.

Maternal and Child Health

Birth Defects and Maternal Age, Update, p. 100.

Birth Intervals and Perinatal Health: An Investigation of Three Hypotheses, J. E. Miller, p. 62.

Cocaine as a Fetal Hazard, Update, p. 149.

Expansion of Medicaid Alone May Not Result in Healthier Newborns, Digest, p. 91.

Hispanic Ethnic Groups Face Variety of Serious Health, Social Problems, see **Marriage and the Family**.

Infant Death and Unwed Mothers, Update, p. 4

Late Effects of Prolonged Labor, Update, p. 149.

Over Past 30 Years, Most Developed Countries Have Had Substantial Declines in Infant Mortality, Digest, p. 139.

Postponing Infant Mortality, Update, p. 197.

U. S. Maternal Mortality Has Continued Its Decline, but Risk Remains Higher Among Minority Women, Digest, p. 140.

Oral Contraceptives

Adolescents Are More Likely to Use Condom Than Pill at First Coitus, see **Teenagers**.

All OCs Lessen Menstrual Pain, Update, p. 4.

Average Estrogen and Progestin Doses in U. S. Pill Prescriptions Have Fallen Dramatically Since 1964, Digest, p. 184.

Consistency of Condom Use for Disease Prevention Among Adolescent Users of Oral Contraceptives, see **Contraceptive Practice**.

Contraceptive Use High, Pill and Barrier Methods Widely Used in Denmark, see **Contraceptive Practice**.

Do Antibiotics Thwart the Pill? Update, p. 100.

How Well Do Women Comply with Oral Contraceptive Regimens? Special Report, M. Klitsch, p. 134.

Is the Postcoital Pill Effective? Update, p. 196.

Minipill May Have Broader Appeal, Update, p. 5.

Oral Contraceptive Pill Use After An Initial Visit to a Family Planning Clinic, D. Oakley, S. Sereika and E.-L. Bogue, p. 150.

Pill Dose and Thromboembolism, Update, p. 53.

Pill Users Don't Need Extra Vitamins, Update, p. 245.

Pill's Effect on Levels of Serum Cholesterol Varies by Formulation, Digest, p. 141.

Risk of Breast Cancer Is Not Significantly Elevated Among Women Who Have Ever Relied on the Pill, Digest, p. 93.

Pilpel, Harriet

Harriet Fleischl Pilpel, A Tribute, S. A. Law, p. 182.

Population Policy and Research

People vs. the Environment, Book Review of: *The Population Explosion*, P. R. Ehrlich and A. H. Ehrlich. Rev. by J. L. Jacobson, p. 95.

Population Wars, The, Book Review of: *Nature Against Us: The United States and the World Population Crisis*, P. J. Donaldson. Rev. by R. A. Bulatao, p. 137.

Pregnancy and Childbirth

Aspirin Beats Preeclampsia, Update, p. 196.

Come-Hither Glance, The, Update, p. 100.

Companion During Labor Lessens Women's Need of Obstetric Intervention, Digest, p. 238.

Decision on Cesarean Can Often Be Influenced by Nonclinical Factors, Digest, p. 191.

Evaluating Adolescent Pregnancy Programs: Rethinking Our Priorities, see **Teenagers**.

Exercise Eases Delivery, Update, p. 52.

Exposure to Pregnancy Reduces Women's Risk of Endometrial Cancer, Digest, p. 239.

Improving Access to Obstetricians, Update, p. 53.

Medicaid and Pregnancy: Issues in Expanding Eligibility, see **Government Policy, Programming and Funding**.

Miscarriages after Chernobyl, Update, p. 5.

PID, Smoking Raise Ectopic Risk, Update, p. 149.

Pregnancy Less Likely After Age 31, Update, p. 197.

Smokers Are Two Times as Likely as Nonsmokers to Drink While Pregnant, Digest, p. 292.

Smoking and Ectopic Pregnancy, Update, p. 101.

Strenuous Work During Medical Residency Does Not Increase Risk of Adverse Pregnancy Outcomes, Digest, p. 87.

Substance Use and Prenatal Care During Pregnancy Among Young Women, J. C. Abma and F. L. Mott, p. 117.

Treating Ectopics Chemically, Update, p. 149.

Unintended Pregnancy In England, Update, p. 52.

Woman's Risk of Ectopic Pregnancy Varies According to the Contraceptive She Chooses, A, Digest, p. 291.

Public Opinion

Public Abortion Views Unchanged, Update, p. 148.

Public Opposes "Gag Rule" Decision, Update, p. 244.

Strong UK Support for Abortion, Update, p. 197.

Wichita Protests Lacked Support, Update, p. 196.

Reproductive Health

Hormones and Heart Disease, Update, p. 149.

Knowledge and Use of Pap Smears are Much Lower Among Hispanic Women than Among Blacks, Whites, Digest, p. 290.

Papillomavirus Infection Among Factors That May Raise Vulvar Cancer Risk, Digest, p. 48.

Six School-Based Clinics: Their Reproductive Health Services and Impact on Sexual Behavior, see **Service Providers**.

Service Providers

Barriers to Family Planning Services Among Patients in Drug Treatment Programs, K. A. Armstrong, R. Kenen and L. Samost, p. 269.

Family Planning Clinics: Facing Higher Costs and Sicker Patients, P. Donovan, p. 198.

Oral Contraceptive Pill Use After An Initial Visit to a Family Planning Clinic, see **Oral Contraceptives**.

Six School-Based Clinics: Their Reproductive Health Services and Impact on Sexual Behavior, D. Kirby, C. Waszak and J. Ziegler, p. 6.

Tailoring Family Planning Services to the Special Needs of Adolescents, L. Winter and L. C. Breckenmaker, p. 24.

Sex Education

Reducing the Risk: Impact of a New Curriculum on Students' Sexual Risk-Taking, D. Kirby, R. P. Barth, N. Leland and J. V. Fetro, p. 253.

Sexual Behavior

Adult Sexual Behavior in 1989: Number of Partners, Frequency of Intercourse and Risk of AIDS, T. W. Smith, p. 102.

Concern over AIDS Changed Sexual Behavior Among One Third of Unmarried U. S. Women, Digest, p. 234.

Contraceptive Use at First Premarital Intercourse: United States, see **Contraceptive Practice**.

Is Promiscuity Less Condoned? Update, p. 148.

Levels of Sexual Activity Among Adolescent Males in the United States, see **Teenagers**.

One in Seven 6th-12th Graders Had an Unwanted Sexual Encounter, Including One in Five Females, see **Teenagers**.

Risky Behavior Comes in Clusters, Update, p. 245.

Reducing the Risk: Impact of a New Curriculum on Students' Sexual Risk-Taking, see **Sex Education**.

Six School-Based Clinics: Their Reproductive Health Services and Impact on Sexual Behavior, see **Service Providers**.

Sexually Transmitted Diseases

Adult Sexual Behavior in 1989: Number of Partners, Frequency of Intercourse and Risk of AIDS, see **Sexual Behavior**.

AIDS Risk Among Runaways, Update, p. 101.

AIDS In Europe, Update, p. 4.

An Ounce of Prevention . . . STDs and Women's Health, F. A. Althaus, Special Report, p. 173.

As Incidence of Syphilis Rises Sharply in the U. S., Racial Differentials Grow, Digest, p. 43.

Chlamydia Is Not Gonorrhea, Update, p. 5.

Concern over AIDS Changed Sexual Behavior Among One Third of Unmarried U. S. Women, see **Sexual Behavior**.

Drug Abuse and HIV Infection, Update, p. 4.

Female-to-Male HIV Transmission is Rare, Update, p. 245.

First 100,000 AIDS Deaths, The, Update, p. 53.

HIV Testing at Public Clinics, Update, p. 101.

HIV Testing Costs Exceed Benefits, Update, p. 196.

HIV Transmitted by Breastfeeding, Update, p. 244.

HPV Infections in College Women, Update, p. 52.

No National HIV Survey, Update, p. 53.

Papillomavirus Infection Among Factors That May Raise Vulvar Cancer Risk, see **Reproductive Health**.

Targeted HIV Screening Fails, Update, p. 197.

Testing for Sexually Transmitted Diseases Among Women of Reproductive Age: United States, 1988, W. D. Mosher and S. O. Aral, p. 216.

Unexpected Route to Infertility? Update, p. 148.

Acknowledgment to Reviewers

The editors wish to express their appreciation to the following reviewers for their assistance during 1991 in evaluating manuscripts for *Family Planning Perspectives:*
